EXPLANATION
This bill creates new Code chapter 148F that provides for the licensure of midwives beginning July 1, 2012. A midwife is not an allopathic or osteopathic physician licensed under Code chapter 148 or a nurse licensed under Code chapter 152 providing primary maternity care during the antepartum, intrapartum, and postpartum periods.

The bill provides for the establishment of a seven-member board of midwifery consisting of three members who are midwives, one physician, one nurse, and two members who represent the general public. The bill provides for fees to fund the board and provides penalties for violation of the practice requirement; those penalties are set out for all health-related boards in Code chapters 147 and 272C. Code section 147.86 provides that it is a serious misdemeanor to violate a provision of the licensing laws.

The board is similar in composition and responsibilities to other health-related licensing boards.

The provisions of the bill amending Code section 147.2 and
S.F. _____

1 enacting Code section 148F.8, both prohibiting the practice of
2 midwifery without a license, take effect July 1, 2012.
