i. Corporate bonds as defined by and subject to terms and conditions imposed by the superintendent, provided that the superintendent shall not approve investment in corporate bonds unless the bonds are ~~rated in the two highest grades of corporate bonds by a nationally accepted rating agency~~ investment grade. For purposes of this paragraph, "investment grade" means the issuer of a security has an adequate capacity to meet the financial commitments under the security for the projected life of the asset or exposure, even under adverse economic conditions. An issuer has adequate capacity to meet the financial commitments of a security if the risk of

default by the obligor is low and the full and timely repayment of principal and interest on the security is expected. 1. If the superintendent has taken over management of the property and business of a state credit union pursuant to section 533.502, and determined that the state credit union cannot be reorganized or merged with another credit union, the superintendent may move for the involuntary dissolution of the state credit union and shall apply to the district court for appointment as receiver with the authority to dissolve the state credit union.

2. If a state credit union is in the process of a voluntary dissolution, and pursuant to section 533.405, the superintendent finds that the state credit union is not making reasonable progress toward terminating its affairs, the superintendent may move for the involuntary dissolution of the state credit union and shall apply to the district court for appointment as receiver with the authority to dissolve the state credit union.

3. The provisions of section 533.503 shall apply when the superintendent is acting as receiver, and as receiver the superintendent shall distribute the assets pursuant to the provisions of section 533.404.
